Oxford University Press Internships Graduate Program 2024 Apply Here

Description

Oxford University Press offers a variety of internships designed to provide students and recent graduates with a unique and valuable opportunity to gain hands-on experience in the world of academic publishing. Our internship programs are available in different departments, including editorial, marketing, sales, production, and technology. These internships offer a chance to work alongside industry professionals, learn from experts in the field, and contribute to meaningful projects that impact the world of education and research.

Responsibilities

- 1. Editorial Internship:**
 - Assist with manuscript review and acquisition processes.
 - Conduct research for upcoming publications.
 - Collaborate with authors and editors to ensure the quality of content.
- 2. Marketing Internship:**
 - Support marketing campaigns for academic and educational materials.
 - Assist in market research and analysis.
 - Help develop and implement digital marketing strategies.
- 3. Sales Internship:**
 - Work with sales teams to analyze market trends and customer needs.
 - Assist in creating sales collateral and promotional materials.
 - Participate in customer engagement initiatives.
- 4. Production Internship:**
 - Assist in the production and distribution of print and digital materials.
 - Collaborate with design and production teams.
 - Ensure quality control in printed and digital publications.
- 5. Technology Internship:**
 - Gain experience in software development, IT, and digital solutions.
 - Support technology projects and initiatives.
 - Work with a team of tech professionals to innovate and improve OUP's digital offerings.

Qualifications

- Currently enrolled in a relevant undergraduate or graduate program, or a recent graduate (within 1 year).
- Strong academic record and a passion for education and publishing.
- Excellent communication and teamwork skills.
- Ability to work independently and manage projects.
- Proficiency in relevant software and tools (based on the internship department).
